Autumn Statement speculation briefing

On Wednesday 23 November, following Prime Minister's Questions, Chancellor Philip Hammond will deliver his first Autumn Statement since being appointed to the role. With suggestions the Chancellor may be set to move away from the rigid targets his predecessor George Osborne introduced, there is much speculation on the contents of this key government statement. Ahead of this key date, Dods

Monitoring has put together a speculation document, including the main announcements many are expecting in three weeks' time.
