Countdown to May 15

Thursday May 7 2015 will firmly be in the minds of all, yet in the next eight months there are a number of key events which will have a direct impact on the political landscape as we head to 2015 and beyond.

To help you track these key political dates and put them in your diary, the **Dods Monitoring team** has produced a handy one-page general election timeline

[Click here to get this timeline.](#) [1]
