European Commission: transparency versus efficiency?

On May 19th, the European Commission put forward its proposals on how to ensure better regulation in the EU. The package of reforms is, according to the Commission, designed to enhance transparency in the legislative process, improve the quality of new laws through better impact assessments of draft legislation and amendments, and promote constant and consistent review of existing EU laws, so that EU policies achieve their objectives in the most effective and efficient way.

The Dods EU monitoring team have analysed these reforms and the implications that they would have.
