Queen's Speech Speculation Briefing

Whilst not yet officially confirmed, this year's Queen's Speech is anticipated to take place on Wednesday 17 May.

The speech is written by the Government and contains an outline of its policies and proposed legislation for the new parliamentary session. Whilst some are quickly introduced, such as the Great Repeal Bill, other Bills may not be formally published until several months later. In advance of this key date in the parliamentary calendar, Dods have compiled relevant speculation to give an insight into the Bills which may be announced.
