Theresa May - key people, Brexit and policy comments

Theresa May replaces David Cameron as Prime Minister on Wednesday 13 July, once the formalities of the transition of power have been completed.

To support our clients during this period, Dods Monitoring has put together a briefing on the new Prime Minister, her key team, potential new cabinet and her stance on the EU negotiations. Our consultants have also collated any key comments May has made on a wide variety of policy issues including the NHS, education, environment and transport.
