2019 EU Finnish Presidency Guide

July 1st saw the start of the new Finnish Presidency of the Council of the EU. This comes after the 2019 EU Elections in Brussels, where a new Parliament takes position and gathers to choose the next generation of leaders. The Finnish Presidency will thus have a role in guiding the EU over the coming months as new MEPs take their positions and ensure that work continues in an increasingly complex world of politics. With this in mind, Dods EU Monitoring has prepared a guide to the Finnish Presidency, outlining: priorities, key dates and main contacts.
