Energy sector update: Magic Horizon 2020 workshop report

On April 20 2017 stakeholders met at the Berlaymont Commission building in Brussels for the New Narratives of Energy and Sustainability: Debunking myths and interrogating the universality of global and local integrations workshop. The workshop was one of six in the Inspirational Workshop Series and is part of the Magic Horizon 2020 project. Stakeholders discussed and challenged the received wisdoms of policymakers in the field of energy.
