Information provided by Dods Monitoring and Dods People

Dods Monitoring is the market leader in the provision of political intelligence across the United Kingdom and Europe. Trusted by communications professionals from small charities to major multi-nationals, our fast, accurate and comprehensive service is personally tailored to your needs

Dods People provides an unrivalled biographical database and contact management system, enabling clients to research and connect with a broad range of political figures. It complements the Dods Monitoring service with the provision of detailed background information on members of all the legislative bodies of the UK and their officials, public affairs professionals, the Civil Service, MEPs and EU officials. The service offers the ability to collate lists of key influencers and collaborators, log contact history on individual profiles and communicate with large groups of contacts quickly and easily via email.
