Queen's Speech 2017 Briefing

Following the Queen Speech on June 21 where the Government set out their legislative programme for the two years ahead, Dods Monitoring has summarised each confirmed bill and non-legislative measure. Our briefing includes some background context to each Bill announced, as well as the legislative timetable envisaged and possible political challenges ahead. It considers the Conservative election manifesto to assess what commitments are notably absent from this new policy agenda as well as providing a timeline for the debates and votes ahead and also includes a range of stakeholder reactions.
